This Saturday, Dec. 9, some Telstar music students will be traveling to Hallowell for the All-State tryouts. Out of many music students in the State of Maine who try out for parts in band, orchestra, and chorus, the best students are chosen to participate in these performing groups. There will be Telstar students trying out in all three groups. This year's All-State is in Cape Elizabeth.

EMERGENCY AMBULANCE & RESCUE SERVICE TO MEET

The annual meeting of the Bethel Emergency Ambulance and Rescue Service will be held at the Fire Station at 7 p. m. on Monday, Dec. 11. The officers for 1973 will be elected at this meeting. It is important that everyone attend this meeting as applications for licenses for ambulance attendants. This meeting is being held on the second instead of the third Monday of the month so as to give more time to get the licenses back before Jan. 1, 1973. Training for this meeting will be practical application in the skills of splinting and handling the injured.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

We can now issue 1973 dog licenses as the material has arrived. All dogs six months old must be licensed Jan. 1. If they become six months old after Jan. 1 they must be licensed at that time. Wednesday night, the Planning Board completed the necessary preliminary plan for solid waste disposal. This has to be submitted by Jan. 10, 1973. The board proposes we have a sanitary land fill across the road from the present location. Any dump must be at least 300 feet from water. Our present location is within that distance. There will be a great amount of further investigation prior to a final solution but the board has to file a plan soon and this appears, at the present, to be the best method. There are alternatives such as incineration but the costs could make it prohibitive. Our town's sparse population and large land area to cover the per person cost can be very high.

BETHEL COMMUNITY CHORALE TO PRESENT FIRST CONCERT THURSDAY, DEC. 14

In September the idea of a possible Community Chorus came to fruit. After talking with Miss Gretchen Dock, the possibility became more realistic as she offered her time and talent to direct a group of singers. At this encouragement, the Music Boosters Club held a meeting for anyone interested in forming a

MEMBERS SOUGHT FOR EDUCATIONAL DEVELOPMENT COMMITTEE OF S. A. D. 44

The first meeting of the 1972-73 school year of the Educational Development Committee of S. A. D. 44 will be held in January. Two members of the adult community of District 44 are needed to serve on this panel. Anyone who is interested is requested to contact the Office of the Superintendent of Schools no later than Dec. 14.

TELSTAR A. V. CLUB TO SPONSOR MOVIE DEC. 49

The Telstar A. V. Club is open during the Academy Award winning film "Cool Hand Luke" with Paul Newman, this Friday and Saturday, Dec. 8 and 9, at 8 p. m. Cartoons and shorts will also be shown. They are trying to raise money to buy musical equipment for the school. The public is cordially invited to attend.

S. A. D. 44 BOARD NAMES KINNEY AS SUPERINTENDENT THROUGH JUNE OF 1975

At a meeting held at Telstar Regional High School Monday evening, Dec. 4, the S. A. D. 44 board of directors named Basil E. Kinney to serve as the district's superintendent of schools through June 30, 1975. Mr. Kinney has served as the chief administrator of S. A. D. 44 since March of this year. Previously he had been at Belfast, S. A. D. 34, for eight years.

In other business the board clarified the action of its previous meeting, Nov. 20, with regard to driver education. At that time, the panel approved a course in driver education, provided there was no expense to the district. It was stated following the meeting that since there can be no State subsidy if a tuition charge is made to students for a course during the school year, it would be impossible to implement the approved action. It is the apparent desire of the board to emphasize that such a program is possible if the students pay the entire cost (with no State subsidy available). At the present time the situation is being reviewed to determine if there are a sufficient number of students interested in a "full cost" program to warrant further action.

Mrs. Virginia Keniston reported to the board on the Library Workshop course held at Crescent Park School on Nov. 14-21 (see article on Page Four).

The directors approved three recommendations of Mr. Kinney with regard to a Self-Evaluation Program for S. A. D. 44 with special emphasis on kindergarten through grade six. The program will be conducted from January to June of 1973, with Edward Flynn, Bethel elementary school principal, as S. A. D. 44 Self-Evaluation Leader. The board endorsed the use of In-service days for the Self-Evaluation process, and approved the submission of a request to the State Department of Education that would provide authority to use from three to four in-service days to accomplish the purposes of the program. The use of In-service days has the endorsement of the Telstar Educators Association of S. A. D. 44.

The board approved the recommendation of Milton M. Wood, chairman of the buildings and grounds committee, that two steel lights be installed opposite the entrance to the Telstar Regional High School property at a total annual cost of approximately \$207.75. The lights will be on the existing pole of the garage which is on the left side of Route 20.

Mrs. Sandra Gaudin was appointed to serve as District Representative Clerk.

Members of the board present Monday evening were Loretta Merrill of Bethel and Paul Wagle of Newry. The next regularly scheduled meeting of the board will be Monday, Dec. 10.

LIVING NATIVITY TO BE PRESENTED CHRISTMAS EVE

For the first time since the Bethel Community's Living Nativity Scene started nine years ago, it will take place on Christmas Eve. The traditional date, the Sunday before Christmas, is Dec. 24 this year. With families gathered at home for Christmas, the Scene on the Eve of Christmas should take on special meaning for the Bethel Community. Because of Christmas Eve services at local churches, the Scene will start earlier this year. The first one will take place at 4 p. m. and will be repeated at 5 p. m.

A planning meeting was held at the home of Mrs. Susan Farrar on Sunday with the following present: Pauline Chasen, Carol Bentley, Gustaf Kelly, Rachelle Tift, Romeo Boley, Andy White, James Lowe, Doug and Suzanne Bane. Some new members were discussed along with other means of making this year's community Christmas project another memorable experience.

Doug and Suzanne Bane are serving as co-chairmen and have already appointed many sub-committee organizations, and others this week. Anyone in the community interested in helping is urged to contact the co-chairmen.

Part of approximately \$207.75. The lights will be on the existing pole of the garage which is on the left side of Route 20.

Mrs. Sandra Gaudin was appointed to serve as District Representative Clerk.

Members of the board present Monday evening were Loretta Merrill of Bethel and Paul Wagle of Newry. The next regularly scheduled meeting of the board will be Monday, Dec. 10.

PAGEANT CHAIRMEN — Suzanne and Douglas Bane who are serving as chairmen of the year's Living Nativity Scene

SHERIFF-ELECT HOWE NAMES WEEKS AS CHIEF DEPUTY

Allen L. Howe of Waterford, Oxford County's newly elected sheriff, announced on Wednesday that he has named Francis G. Weeks, the first to the position of Chief Deputy. Howe said that Weeks will begin his service on Jan. 1 when Howe is sworn into the office of sheriff.

Howe explained that he had selected Weeks because of his experience as a law enforcement officer during the term of W. Stanley Hawley, who will retire on Dec. 31 at the end of his year of enforcement work at the state and county level.

Months of the former Police Captain of Norway, he is the father of two children.

A graduate of Pine High School, he served for two years in the U. S. Army Medical Corps and is a first class of the South Paris Fire Department.

After a family change he was employed by the Southern Motor Products Company of Norway. He owned and operated a store for two years before serving his first year as deputy sheriff and a second year as sheriff.

SENIOR CITIZENS TO MEET

The Senior Citizens will meet Tuesday, Dec. 12, on the dining room of the West Parish Congregational Church at 11 a. m. Lunch will be served and pot luck. At 1 p. m. the club will present a short program directed by Jan Skovell. At 2 p. m. the Senior Citizens will enjoy a Christmas tree and exchange of gifts.

SENIOR HIGH CHORUS — It has come to the point where a lot of people not involved in the Telstar Music Department only associate the department with the Telstar Marching Band. This week's article of the Music Department will tell the story of the Senior High Chorus. The senior Chorus consists of around 70 members, the majority girls, which is unfortunate to say. A chorus that size could always use more male singers. The group is very busy preparing their music for the Christmas Concert which is Dec. 21. The closer to the concert, the more excitement there is. It's always rewarding to give a good Telstar concert after a lot of work has been put into it. — Betsy Davis, Music Publicity Chairman.

Ed Currier

CO-OP CORNER

by Suzi Redman

This week's student involved in the Cooperative Education program at Bethel Regional High School is Ed Currier. He works afternoons at Gould Academy for Soda Foods. His job is maintenance. Dave Meyers is his boss.

Ed has worked in the past at Ekco Housewares, as a caddy at the Bethel Inn Golf Course, and was involved in the Neighborhood Youth Corps this last summer.

He is a senior this year, and has the distinction of being the first person to graduate from the Special Education program at Bethel. The program is individualized. Ed gets his assignments in the morning, and budgets his time accordingly. During his free time he enjoys working in the art room, making pottery and doing some drawing. His favorite courses are Physical Education and Art. Last year Ed won a gold medal in the high jump for Special Olympics. He is also learning to play the guitar.

Ed is very interested in airplanes. He has ridden in them and has visited Portland Airport. He is thinking about going in the Air Force after graduation.

Ed likes to ski, golf, hunt, fish and snowmobile. He is the son of

— Mrs. Olive Davis, Corres. —

Direct dialing has been added to the service of Oxford County Telephone Co. for its patrons, as of Dec. 3.

Thirteen inches of snow fell in the community Friday morning, early. Leon Baker broke us out in the morning so I was able to walk to the turn and meet the mailman. Our mailbox was so far back of the snowdrift made by the main highway plow that the mailman never could have put our mail in it. It was better the next day as the glow came up again and pushed it back further. These posts and boxes are quite a problem in winter to the plowing crew as well as the owners of the boxes.

Mrs. Florine Benson and Mrs. Anne Tyler took dinner Thanksgiving with their niece and daughter and family, Mr. and Mrs. Gerald Moran, and two children.

Mr. and Mrs. Leslie Bryant called on Mr. and Mrs. Ellis Davis, Sunday afternoon.

Mr. and Mrs. Nicholas Clements and boys were in Swanville and Bel-

fast over Thanksgiving week and where they stayed with Mr. Clements' mother, Mrs. Charles Clements. They all joined in a big dinner held at the Grange Hall where all their relatives gathered for a really big party. They returned home Sunday.

The Willing Workers Christmas party is to be held on Dec. 14 at Sheryl Wilbur's new home on Hendrickson's Hill. All members come and bring an exchange gift for the tree and your secret sister revealing gift which tells who had whose name for 1972. This is always a happy meeting, so don't miss it.

GRANTS FOR OUTDOOR RECREATION
The Interior Department's Bureau of Outdoor Recreation will make available to State and local governments more than \$181 million for grants to equally match funds they provide for State, county and municipal outdoor recreation area acquisition and developments. For more information, write to the Bureau of Outdoor Recreation, 1421 Cherry Street, Philadelphia, Pa. 19102.

LAND FOR FEDERAL RECREATIONAL AREAS
While most of the money accruing to the Interior Department's Land and Water Conservation Fund goes to State and local governments for acquiring and developing outdoor recreation areas, a portion is utilized by such Federal agencies as the National Park Service and the U. S. Forest Service to acquire additional Federal recreation lands and waters. According to the Bureau of Outdoor Recreation, the agency which administers the program, more than a million acres of land for Federal Recreation areas have been acquired using Land and Water Conservation Fund money.

CONSUMERS' CORNER

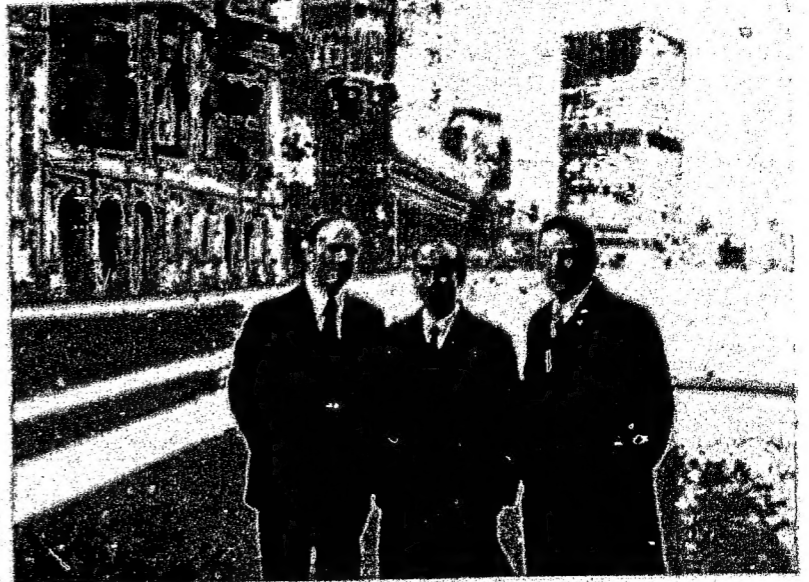

FDA seeks changes in cooking ranges
The Food and Drug Administration's Bureau of Product Safety is seeking changes in gas and electric cooking ranges, which are responsible for an estimated 160,000 burn accidents annually, or about a fifth of all injuries from home appliances. The bureau, whose Injury Study Units in Boston recently completed an investigation involving 20 burn victims, has asked representatives of Underwriters' Laboratories, the Association of Home Appliance Manufacturers and the Gas Appliance Manufacturers Association to consider three improvements in ranges to reduce burn accidents.

1. Relocation of control knobs to prevent them from being turned on accidentally.

2. Relocation of signal lights to provide a more effective warning that burners are on.

3. A method of ensuring that a person uses the proper size burner to eliminate the risk of the exposed part of the burner casting exposed clothing (or the pot/holder) to catch fire.

The agency is seeking voluntary improvements by manufacturers because Congress has passed no laws about safety of ranges.

CHRISTIAN SCIENTISTS HEAR OF CHALLENGES/OPPORTUNITIES AT FIVE-DAY CONFERENCE

New challenges and opportunities for Christian Scientists throughout the world were examined at a five-day conference in Boston attended by James H. Lawrence, the Committee on Publication for Maine.

More than 130 Committees on Publication from Asia, Africa, and Europe, as well as North and South America, attended the conference which was held Nov. 13-17 at the new Christian Science Center which serves as international headquarters for the denomination.

"The new Center is striking evidence of the growth of Christian Science throughout the world. I was especially interested to hear about the increased interest in Christian Science in Latin America," he said.

David E. Sleeper, a member of The Christian Science Board of Directors, who recently returned from a six-week tour of Latin America, gave a first hand report to those attending the international conference.

Other members of The Christian Science Board of Directors, the denomination's top administrative

INTERNATIONAL CONFERENCE

James H. Lawrence (right), Christian Science Committee on Publication for Maine, recently returned from a five-day conference at The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. (in background). With Mr. Lawrence are Committees, Nordfried Moersberger of Sweden and Yoshikazu Hoshimi of Japan.

More than 130 Committees on Publication from six continents attended the conference (Nov. 13-17), which explored new developments in religion and communication.

body, also attended a session of the conference. The Chairman of the Board, Arthur P. Wuth, addressed the group.

Christian Science Committees on Publication are located in more than 50 countries. Each Committee is a committee of one, serving as a spokesman for the Church of Christ, Scientist, in his area.

"The Higher Mission of the Christian Science," the theme of the conference, was developed through displays, panel discussions, addresses, and audiovisual presentations.

DON'T THROW AWAY THAT OUTGROWN DRESS, THOSE TOO-SMALL SHOES!

Students at the Andover Elementary School will be collecting townspeople's good wearable used clothing in the 41st annual Bumble Days Drive for Save the Children Federation (SCF).

The Federation, an international child welfare organization founded in 1932, distributes the apparel through 108 clothing centers in the Southern Appalachia Mountains and depots on American Indian reservations.

Clothing in good condition in all sizes, for both children and adults, is needed. Sturdy shoes are especially needed.

Mrs. Diane Cutting, chairman of the Bumble Days Committee, emphasized that the clothing is needed by many Appalachian and American Indian children if they are to be able to attend school.

"Please bring shoes, coats, dresses, sweaters, gloves, underwear or other garments to the collection centers at the Andover school," the chairman requested. The chairman asked that shoes be tied together in pairs.

Proud Appalachian families, who do not want handouts, are happy for the opportunity to purchase attractive durable clothing for mere pennies. The chance to select their own apparel lets them preserve their sense of dignity as individuals, while at the same time stretching their meager dollars. A contribution of \$1 will provide a child with a complete outfit. Send your contribution to Save the Children Federation, Post Office Box 374, Knoxville, Tenn. 37901.

SCF, headquartered in Norway, Conn., helps children, their families and their communities in Appalachia, on American Indian reservations and in 14 countries overseas. In addition to the Bumble Days clothing collection, which is SCF's oldest continuing project, Federation programs also include scholarships, and an international self-help fund. The drive will terminate on Dec. 10. Your support will be welcomed.

UPTON

Mrs. Arline Bernier, Corres. - The Ladies Aid held a meeting at Norma Allen's home. Final plans for the Christmas program were arranged.

Fred and Mrs. Mae went to Farmington and Pittsfield Sunday. Kathy returned with them from Newry she had spent the week end.

The plows and sand trucks have been busy this past week as we enjoyed snow, rain and sleet.

I went to an Artex instructors' meeting in Dixfield Saturday where I received the banner for high sales in the area.

Mr. Morris and friends spent the week end at his camp on Blueberry Hill.

The Ladies Aid have a supply of place mats and note paper which they are selling.

BETHEL LIBRARY

Library hours: Tuesday, Thursday, Saturday afternoons, 2-5; Friday evenings, 5-8; Thursday, 10-11. Story Hour for Pre-Schoolers, Tel. 824-2520.

Much appreciation for a gift of bound volumes of National Geographic Magazine (1917-1969), goes to Mr. and Mrs. G. B. Morrill. There is an index to the National Geographic Magazine at the Library to help find the subject you may be seeking.

Among new books added recently: "Lady of Quality," Georgeanne Meyer; "Rambling Rose," Dorothy Eden; "Years Away from Home," Charles H. Carroll; Christmas in N. E. Taylor Lewis; Brian Wildsmith's "Twelve Days of Christmas," "Charles and the Great Glass Elevator," Roald Dahl.

A most unusual Art Exhibit is at the Bethel Library for the next three weeks, that of Douglas Bane. Come visit Bethel's Cultural Center.

There is a need for a record player for the Story Hour.

Also, home maintenance and repair items, and books.

The services index rose 0.4% in October. About 30% of the rise was due to the regular annual adjustment to the health insurance component of the index. The adjustment resulted in an acceleration in the rate of increase for medical care services to 0.7% in October from 0.2% in September. Doctors' and dentists' fees and hospital charges continued to increase at a slower rate than earlier this year. Property taxes, charges for residential gas, meat, apparel services, and men's haircuts increased more than in September, but charges for auto insurance continued to decline and movie admission prices were lower.

Approximately 120,000 individual prices were collected directly by Bureau of Labor Statistics in October for use in the index. Approximately 60% of these quotations represent monthly comparisons. Seventy-four per cent of these monthly comparisons remained unchanged, 11% decreased, and 15% increased between September and October. The proportion of nonfood commodity prices increasing was less than in September and about the same as in August. The October index also includes 23,000 price comparisons to October from periods prior to September of which 18,500 cover the quarterly span from July to October. About 15% of these increased, compared with about 16% in last month's index. In addition, about 4,500 rental units were surveyed in October and about 21% of these reported rent increases from April.

The index for non food commodities rose 0.4% before seasonal adjustment, slightly less than usual for October. Almost three-fourths of the rise was due to a sharper than usual increase in apparel prices. Used car prices advanced sharply for the second month in a row. The increase in the new car index, which reflects the introduction of 1973 models into the CPI, was substantially less than usual for October and the smallest September to October change since 1967. Prices also rose for most household durables.

MRS. LINCOLN TO SEEK POST AS HOUSE CLERK

Former State Representative E. Louise Lincoln, R-Bethel, announced on Tuesday her candidacy for the State House of Representatives clerk's position being vacated by Bertha W. Johnson of Baring.

Mrs. Lincoln, a six-term legislator who made an unsuccessful bid for the State Senate in November, announced shortly after Mrs. Johnson, clerk since 1967, declared that she would not seek the position again.

A recount recently completed in Augusta confirmed the election of David F. Aldrich, D-Norway, Mrs. Lincoln's opponent in the District 5 State Senate contest.

Announcement is being made by Mrs. R. S. McMillan of the marriage of her niece, Joan Brann Craig of Topsham and Kenneth D. Kronstrand of Brunswick. The double ring ceremony was held at Lisbon on Friday evening Dec. 1 with a reception following.

Mrs. Kronstrand was attended by Kathleen Burton as maid of honor and Robert Paulson served as best man for Mr. Kronstrand.

Mrs. Kronstrand is the daughter of the late Walter and Jacqueline Brann of Lisbon Falls. Mr. Kronstrand is the son of Arthur Kronstrand of Waltham, Mass., and Mrs. Venise Kronstrand of Brunswick.

Mrs. Kronstrand graduated from Lisbon Falls High School and Mr. Kronstrand served in the Navy two years following graduation from Brunswick High School.

Mr. Kronstrand is employed as assistant manager by the L. & A. Tire Co., at Brunswick.

Mr. and Mrs. Kronstrand are now residing at Crest Avenue, Lisbon.

BETHEL MOTHER'S CLUB For their project in November, the Bethel Mother's Club gave out two Thanksgiving boxes. One was given to Ethel Sanborn and son, and the other to Dale Thurston and family.

Pre-schoolers, be on the look out for Santa on Dec. 23, he'll be coming to see you. Anyone interested in renting a Santa's suit, contact Thirza Herriek, for the Mother's Club has purchased one.

The next meeting of the Mother's Club is scheduled for Dec. 14 at the Casco Bank.

chorus, and an ad was placed in the "Citizen" for the rehearsals to begin. On the night of Oct. 16, 35 enthusiastic singers, which boasted a strong men's section, along with an accompanist, Mrs. Arnel Brown, responded to the ad.

With rehearsals well underway, the Bethel Community Chorus was established with a manager and publicity committee. Mrs. David Denison as manager, handles all the sheet music, arranges rehearsal times and places, helps set concert dates and all the details related to a concert, forms committees as necessary, and serves as liaison between the chorale and the director, who lives in Gorham, Maine. The publicity is handled by Mrs. Walker, Mrs. Ben Warner, and Mrs. H. William Yeo.

After two months of rehearsals, the Chorale is presenting its first public
